

People 2013

OVERVIEW

ITN

Initial Training Networks

Networks of at least 3 organisations (industry and SME included) from different countries engaged in research training. The networks will be built on a joint research training programme for Early stage researchers. Possibility for recruitment of Experienced researchers.

Funds: Living, mobility allowance for the researchers + contribution to the institution for research activities (1800 Euro/month/researcher) + contribution to management and overheads.

Deadline: 22 November 2012

ITN - EID

Initial Training Networks – European Industrial Doctorates

Networks of 2 organisations: One industrial partner and one academic institution from different countries engaged in a jointly supervised doctoral programme for Early Stage Researchers. Possibility for associated partners to be part of the doctoral training programme.

Funds: Living, mobility allowance for the researchers + contribution to the institution for research activities (1200 Euro/month/researcher) + contribution to management and overheads.

Deadline: 22 November 2012

ITN - IDP

Initial Training Networks – Innovative Doctoral Programmes

Sole academic participant (able to provide a PhD) aiming at providing an interdisciplinary, international and intersectoral doctoral programme, in collaboration with a wide set of academic and industrial associated partners.

Funds: Living, mobility allowance for the researchers + contribution to the institution for research activities (1200 Euro/month/researcher) + contribution to management and overheads.

Deadline: 22 November 2012

COFUND

Co-funding of regional, national and international programmes

The co-funding action aims to encourage existing or new regional and national programmes to open up to and provide for trans-national mobility, as well as to reinforce international programmes.

Funds: 40% of the fellowships costs.

Deadline: 5 December 2012

IAPP

Industry-Academia Partnerships and Pathways

Joint research programme between one or more research organisations and one or more commercial enterprises. The activities will consist of secondments between the two sectors, recruitments of new staff and organisation of joint events.

Funds: Living, mobility allowance for the seconded and recruited researchers + contribution to the institution for research activities (1800 Euro/month/researcher) + contribution to management and overheads.

Deadline: 16 January 2013

IRSES

International Research Staff Exchange Scheme
